I have been a close prisoner have no opportunity-and if I had, I am not able-to write the incidents of my life

during the last five weeks. I have been driven from my home by nothing daunted by their late heavy losses, the Ruffians; and two or three times have have already commenced to re-build their tried to get back; but each time have been Foundry and Bucket Factory. They will intercepted—Finen Ar, chased for miles; erect separate buildings for these two and my escape with life has been wholly them of brick instead of wood. They hope urday night, with some one hundred and to have the buildings crected before win-twenty others, I started for our country, ton, residing on Gallow's Hill, was in the Belair market when the fight began in that the success and prosperity that enterprise, a clean suit of clothes. On Sunday, we some six or seven hours. We had two men mortally wounded and a number of others severely. The opposite party had one killed, and a number wounded.

During the night the camp was surrounprisoners, and marched to Lecompton .-prairie, guarded by the troops, withouttents or blankets, and on half rations, before we

This we had day before vesterday, and were all committed for MURDER in the first degree, and bound over for court. I have not yet learned when this is to be had, but I think next March, unless there is a spec-

ial session for our benefit. pidity till the entire building was one vast ing a small building, some twenty by thirty There are One Hundred of us, occurs sheet of flame. Fortunately, the wind, feet square and guarded by a company of

We have heard many threats against our neighborhood, must have fallen a sacrifice lives, since we have been confined. I do not consider my life safe a single hour,
